

BelGIM publications in the field of “AUV” available in *Journal Metrology and Instrumentation*

Pozdeeva V.

- ◆ Improvement of acoustical measurement standards in the Republic of Belarus. 3/2003, Minsk

Pozdeeva V.

- ◆ Today's aspects of noise measurements at workplaces. 1/2005, Minsk

BelGIM publications in the field of “AUV” available in the *Collection of proceedings of BelGIM*

Pozdeeva V.

- ◆ National standard for sound pressure in air. Issue 1, Minsk 2003;

Pozdeeva V.

- ◆ International comparisons of national standards for sound pressure in air between Belarus and Russia. Issue 2, Minsk 2004;

Pozdeeva V., Fedorov V.

- ◆ The acoustical non-destructive testing. Measurement of the damping of longitudinal ultrasonic waves in reference materials and acoustical loads. Issue 3, Minsk 2005;

Fedorov V.

- ◆ The measurement of the damping of longitudinal ultrasonic waves using pulse method. The general approach to the estimation of uncertainty in measurements. Issue 4, Minsk 2006.

- ◆ Pozdeeva V. Volodchenko A.

Set of standards for the characteristics verification of the audiological devices, Issue 6, Minsk 2008.

- ◆ Pozdeeva V., Fedorov V.

Metrological assurance review of the ultrasonic medical equipment, Issue 8, Minsk 2010
