## BIPM Capacity Building & Knowledge Transfer Program

## COOMET - BIPM Workshop "Sound beginning in the CIPM MRA"

10 April, 2018 Sarajevo, Bosnia and Herzegovina

## **PROGRAMME**

timing	min	Course Topic	Outline of content	Instructors
		Γ		
9:00	20		Registration	
9:20	10	Welcome		Pavel
				Neyezhmakov
9:30	30	Global Quality infrastructure	Importance of Quality Infrastructure and its key players	Peter Ulbig
10:00	30		Metrology/CIPM MRA and its role in the	Chingis
			QI	Kuanbayev
10:30	30		Case study: QI Practical examples & Roles	Peter Ulbig
			and responsibilities	
11:00	20		coffee & tea	
11:20	25	Introduction to the Metre	Metre Convention: Interactions with	Chingis
11.20	23		Member States and Associates	Kuanbayev
11:45	10		CIPM Requirements and documentation	Nikita Zviagin
11:55	25	Convention, BIPM	COOMET as an RMO and CIPM MRA	Pavel
11.55	23	and the CIPM	related activities	Neyezhmakov
12:20	15	MRA	JCRB: inter-regional CMC review process	Nikita Zviagin
12:35	25	requirements	Case study: Impacts of the CIPM MRA	Pavel
12.55				Neyezhmakov
13:00	60		Lunch	
14.00	30		CIPM requirements and documentation	Chingis
14.00	30			Cilligis
14:00	30		on QS and RMO approaches	Kuanbayev
		Quality	<u> </u>	Kuanbayev Natalia
14:30	30	management	on QS and RMO approaches COOMET approach in QS and specifics	Kuanbayev Natalia Muravskaya
		· •	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition	Kuanbayev Natalia
14:30 15:00	30 30	management	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS	Kuanbayev Natalia Muravskaya
14:30	30	management	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition	Kuanbayev Natalia Muravskaya Andreas Odin
14:30 15:00	30 30	management	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS acceptable to RMO  coffee & tea	Kuanbayev Natalia Muravskaya Andreas Odin Zijad Dzemic
14:30 15:00 15:30 16:00	30 30 30 30	management systems Measurement	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS acceptable to RMO  coffee & tea  CIPM Requirements and documentation	Kuanbayev Natalia Muravskaya Andreas Odin Zijad Dzemic Chingis
14:30 15:00 15:30	30 30 30	management systems  Measurement comparisons and	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS acceptable to RMO  coffee & tea  CIPM Requirements and documentation on comparisons	Kuanbayev Natalia Muravskaya Andreas Odin Zijad Dzemic  Chingis Kuanbayev
14:30 15:00 15:30 16:00	30 30 30 30	management systems Measurement	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS acceptable to RMO  coffee & tea  CIPM Requirements and documentation	Kuanbayev Natalia Muravskaya Andreas Odin Zijad Dzemic Chingis
14:30 15:00 15:30 16:00 16:30	30 30 30 30 20 20	management systems  Measurement comparisons and Calibration and	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS acceptable to RMO  coffee & tea  CIPM Requirements and documentation on comparisons  CIPM Requirements and documentation	Kuanbayev Natalia Muravskaya Andreas Odin Zijad Dzemic  Chingis Kuanbayev
14:30 15:00 15:30 16:00 16:30	30 30 30 <b>30</b> 20	management systems  Measurement comparisons and Calibration and measurement	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS acceptable to RMO  coffee & tea  CIPM Requirements and documentation on comparisons  CIPM Requirements and documentation on CMCs	Kuanbayev Natalia Muravskaya Andreas Odin Zijad Dzemic  Chingis Kuanbayev Nikita Zviagin
14:30 15:00 15:30 16:00 16:30	30 30 30 30 20 20	management systems  Measurement comparisons and Calibration and measurement capabilities	on QS and RMO approaches  COOMET approach in QS and specifics  ISO/IEC 17025 and the new edition  Case study: How to establish a QS acceptable to RMO  Coffee & tea  CIPM Requirements and documentation on comparisons  CIPM Requirements and documentation on CMCs  Case study: How to participate effectively	Kuanbayev Natalia Muravskaya Andreas Odin Zijad Dzemic  Chingis Kuanbayev Nikita Zviagin  Nino
