An aerial photograph showing a vast green landscape with dense forests and scattered buildings. In the foreground, two people are seen from behind, sitting on a ledge. The person on the left, wearing a blue plaid shirt, has their right arm extended and is pointing their index finger towards a specific spot in the forest. The person on the right has long blonde hair. In the background, a city skyline is visible under a hazy sky, with a large body of water on the right side. The overall scene conveys a sense of environmental stewardship and future planning.
