

WG on the Review of the CIPM MRA

Subgroup on Governance

24th October 2016

Peter Fisk, convener

Jim Olthoff

Beat Jeckelmann

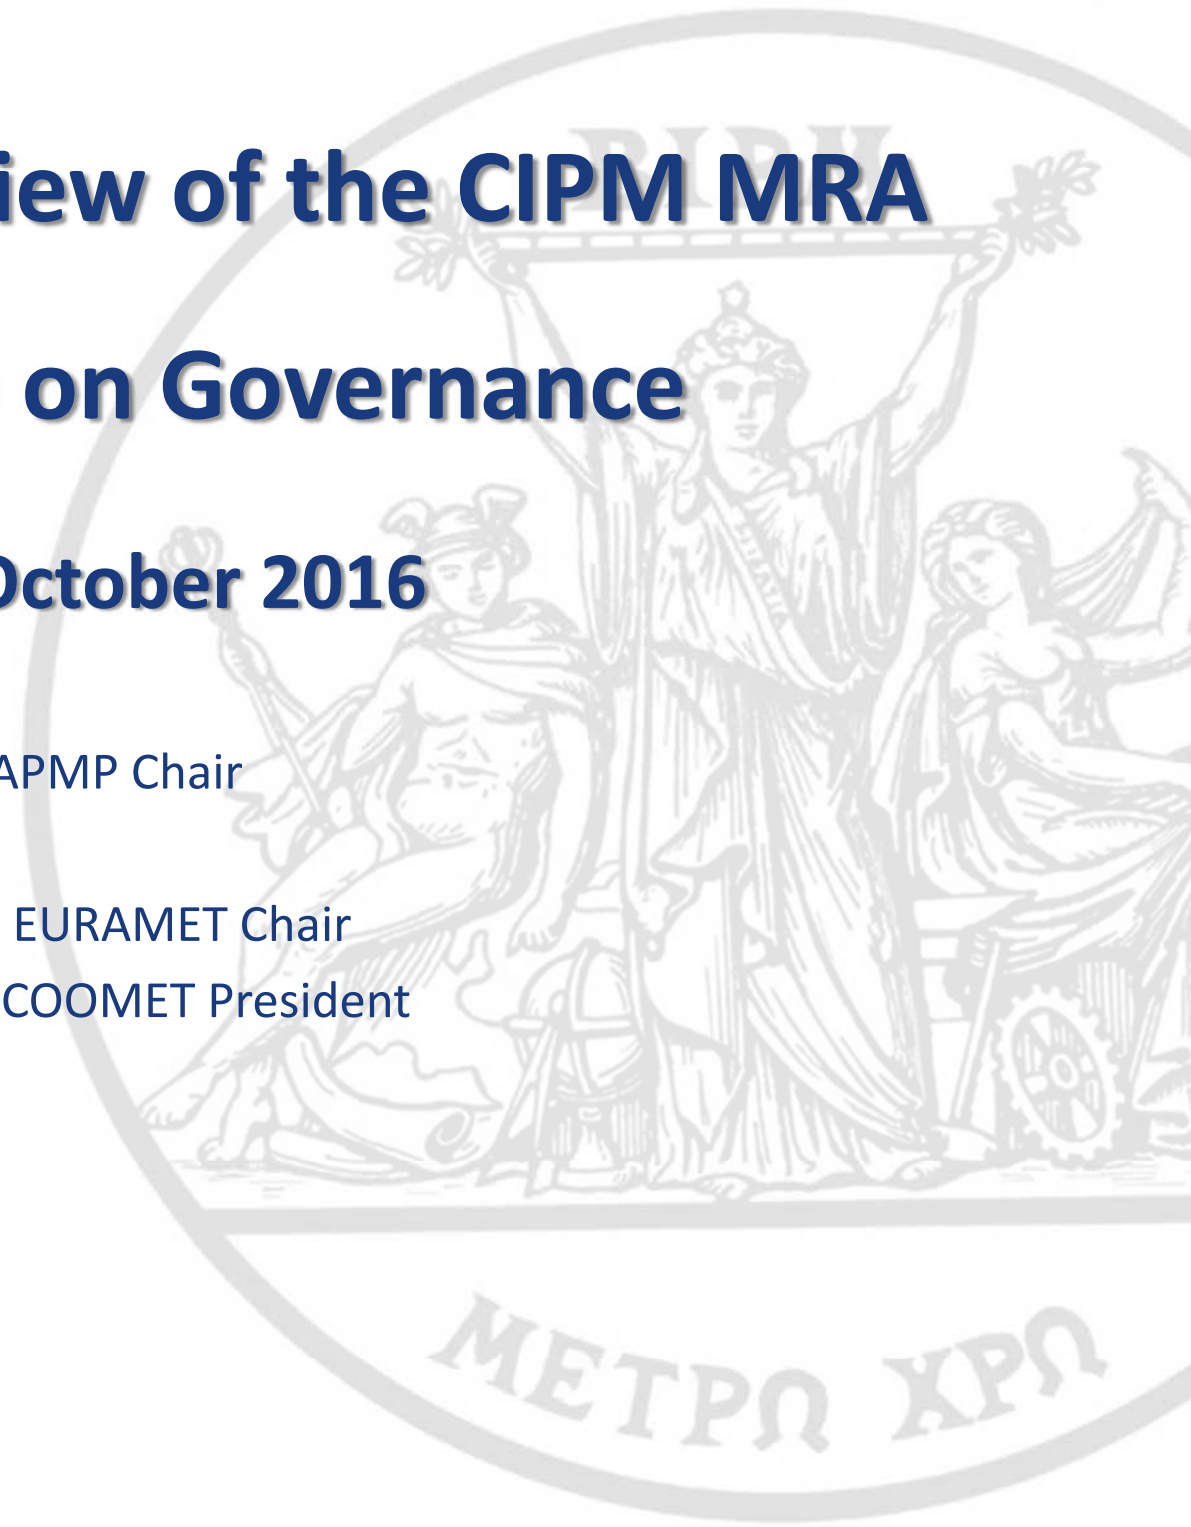

Vladimir Krutikov

NMIA, APMP Chair

NIST

METAS, EURAMET Chair

VNIIM, COOMET President

Recommendation 6:

On the governance of the MRA by the JCRB and the CIPM

- ◆ The JCRB should exercise its authority more fully as defined in its terms of reference in the implementation of the MRA

Action: JCRB

- ◆ Noting that several recommendations of the WG charge the JCRB with additional responsibilities, the CIPM should review the document '*Rules of procedure for the JCRB*'

Action: CIPM

- ◆ A designated member of CIPM should attend all JCRB meetings

Action: CIPM

Recommendation 7:

On the effective and timely implementation of improvements through the JCRB and the CIPM

- ◆ The CIPM should, as far as possible, use the JCRB to implement the agreed improvements in the operation and implementation of the CIPM MRA.

Action: CIPM, JCRB

- ◆ The JCRB/RMO Chairs and members of CIPM should improve communication to ensure CIPM/CC/JCRB interfaces are clear.

Action: CIPM, CCs, JCRB,
RMOs
