Metrology area of designation:**

*Note that within the meaning of the CIPM MRA only one institute per State or Economy can be designated for any given metrology area****

We confirm that we have the authority to designate within the meaning of the CIPM MRA and this designation is compatible with the spirit, rights and obligations of the CIPM MRA and with document CIPM MRA-P-13. Furthermore, we confirm that the organization being designated understands and accepts the rights and obligations of designation.

Your name and position within the designating body:

Please return to:

BIPM Pavillon de Breteuil
F-92312 Sèvres Cedex, France
e-mail: jcrb_es@bipm.org

* Please register with the Research Organization Registry (ROR) (ror.org) and indicate the digital identifier above.

**Chemistry, photometry, force, flow, volume, radioactivity, etc.

***The metrological responsibilities of signatory NMIs and other DI of the same State or Economy must always be clearly differentiated. If within a State the signatory NMI and a DI both have responsibilities within the same metrology area, the designation scope must be specified in sufficient detail to distinguish their responsibilities. This should be done using the classification of services as available on the KCDB: <https://www.bipm.org/kcdb/>

NOTE 1 Starting date of participation in the CIPM MRA will be considered as the date when the BIPM receives the signed designation form and it is this date that the BIPM will display.
