

Flow Session Agenda

Session 2 Dynamic Fluid and Flow Measurement

Chairman: John Wright, NIST

Co-Chairman: Fredrik Arrhen, SP

13:30 -13:50 Overview of Industrial Dynamic Flow Measurement Needs

Speaker: John Wright, NIST

13:55-14:15: Step Response of Pressure Sensors

Speaker: Fredrik Arrhen, SP

14:20- 14:40: Dynamic Liquid Flow Applications and Methods for Measuring Flow Meter Dynamic Response

Speaker: Chuck Gray, Micro Motion, United States

14:45 -15:00: Flow Measurements for Gaseous Fuel Dispensers

Speaker: John Wright, NIST

15:00 -15:15 Discussion for Session 2

15:15-15:45 Coffee break
