

Sèvres, 1 June 2006

To the CCTF WG on TWSTFT mailing list.

Dear colleagues,

14th Meeting of the CCTF Working Group (WG) on Two-Way Satellite Time and Frequency Transfer (TWSTFT) will be held on 10-12 September 2006 at the Paris Observatory (OP), Paris, France (www.obspm.fr).

Joseph Achkar (joseph.achkar@obspm.fr), local organizer, prepared for your convenience three documents (attached):

1. A list de 8 hotels chosen by OP with special price for meeting attendees. It is recommended to book your hotel before end of June due to very busy period of September.
2. A map with above hotels.
3. A map with detailed access to Paris Observatory from Plazas Denfert Rochereau and Port Royal.

Meeting will be organized as follows:

Sunday 10 Sept: 14:00 Meeting start
Afternoon session with a coffee break
Monday 11 Sept: Morning session with a coffee break
Buffet lunch at noon
Afternoon session with a coffee break
Dinner in Luxembourg neighbourhood (Latin Quarter)
Tuesday 12 Sept Morning session with a coffee break
12:00 Session end
Sandwich lunch

More detailed agenda will be provided later.
Lunches and dinner will be offered by LNE-SYRTE.

Meeting will be held in historic building of Paris Observatory in Council room.
Lunch will be served in the same building in Cassini room.

To submit topics to the meeting agenda you should contact Bill Klepczynski, Chairman of the WG (wklepchy@comcast.net), or myself (wlewandowski@bipm.org).

Please notify as soon as possible local organizer about your participation.
Early notification will facilitate organization of the meeting.

Any information on up-coming TWSTFT meetings can be found on BIPM TWSTFT site:

<http://www.bipm.fr/wg/AllowedDocuments.jsp?wg=TWSTFT>

With my best regards,

W. Lewandowski
Secretary of the CCTF WG on TWSTFT
