

CALIBRATION OF UTC TIME LINKS

- **BIPM will continue its GPS/GLONASS C/A-code/P-code calibration campaigns; new receivers are dedicated for this purpose.**
- **A new BIPM GPS/GLONASS calibration campaign between Paris Observatory and VNIIFTRI in Moscow is ongoing.**
- **There is now available BIPM webpage providing results of all past calibrations and announcing new ones.**
- **Present calibration will allow beginning of GLONASS Time Transfer Pilot Project.**
