

Links to video recordings within the frame of the 29th meeting of the CCT

20 October 2020

- **The future of contact thermometry after the redefined kelvin**

Christof Gaiser, PTB (Germany)

<https://youtu.be/W3NrcjShAN8>

4 November 2020

- **Temperature dissemination in a post-redefinition world**

Patrick Rourke, NRC (Canada)

<https://youtu.be/SkYbR5i2QU4>

17 November 2020

- **Landscape of Emerging Technologies in Thermometry**

Zeeshan Ahmed, NIST (USA)

<https://youtu.be/--WL1zT2-E0>

19 January 2021

- **Realising the redefined kelvin – a EURAMET perspective**

Graham Machin (NPL)

<https://youtu.be/jqSSTjaJooA>

9 February 2021

- **Realising the redefined kelvin – a EURAMET perspective**

Andrea Peruzzi (NRC)

<https://youtu.be/5XmtAw28Wjw>
