Choose a personal password (containing at least 8 characters, including both capital and lowercase letters, one number, and one special character among the following ! & @ % * < > \$).

The screenshot shows the BIPM website's 'Change Password' page. At the top is a navigation bar with links: ABOUT US, CGPM (2026), COORDINATION, LIAISON, TECHNICAL/SCIENTIFIC, and PUBLICATIONS & EVENTS. The main content area has a title 'Change Password' and a language selector 'en-US'. Below the title are two input fields: 'Password' and 'Reenter Password'. At the bottom of the form are two buttons: 'Save' (in blue) and 'Cancel' (in grey).

-> Click on Save. (**Do not refresh the page**, doing so will result in an error message that the link format is no longer recognized.)

You will receive a email entitle “https://www.bipm.org: Your Password Has Been Changed”.

You then have go back to <https://www.bipm.org/en/> and sign in.
