Public transport in Warsaw

The best way to get around Warsaw is public transport. Public transport in Warsaw is organized by ZTM:

bus, tram, rapid urban railway (SKM), metro

Ticket zones

The conurbation area served by ZTM lines is divided into two tariff zones marked as 1 and 2. The first zone (1) encompasses the territory within the borders of Warsaw, and the second one (2) - locations outside the borders of Warsaw. Warsaw Chopin Airport is in the first zone.
In practice, you will move in the first zone only.

**Places where you can buy tickets**

Passenger Service Centres, post offices, authorised points of sale and ticket vending machines (usually close to bus/tram stops, near the entrance to train and metro station), in SKM trains and on some buses.

**How to get to the city center from airport?**

The Chopin Airport is located 8 km from the center of Warsaw. Taxis and several public transport lines (busses and trains) connect the airport with the city (GUM is located in the city center). Bus line 175 or train lines SKM line S2, S3 are convenient to reach the city center. Our suggestion is to use bus line #175 and buy 75 minutes ticket (4,40 PLN, bus changes allowed, tickets need to be validated in a bus when you start your journey).

Below, you can find a bit more detailed information.

**By taxi**

The taxi fare from the airport to the city centre is approx. 30 - 40 PLN.

More information: [Warsaw Chopin Airport](http://www.ztm.waw.pl/?c=110&l=2)

**By public transport**

The bus stops and train station at the Chopin Airport are located in the first fare ZTM zone.

To connect to the city centre, it can be used: bus #175, SKM trains or KML trains – Koleje Mazowieckie Railways Company.
(The train stations in the city centre are: **Warszawa Centralna** and **Warszawa Śródmieście**)

The Koleje Mazowieckie Railways Company [image] is not a part of ZTM and typically uses KML tickets only, but on the line to the city center: Warsaw Chopin Airport – Warsaw Wschodnia – Warsaw Płudy all ZTM tariff tickets are valid indefinitely.

Passengers who, upon entering KML trains, have non-legalized / non-activated ZTM ticket, are obliged to enter the train through the first door (from the front of the train) and report to the train manager in order to legalize or activate the ticket.

**Where to buy a ticket at the airport?**

- at the Passenger Information Point in the arrivals hall,
- from ticket machines placed at bus stops and next to the train station entrance,
- from ticket machines in SKM trains and on some buses.

**How to get to GUM from your hotel!?**

**GUM** is located in the city center of Warsaw on the left side of the Vistula river: c. 1 km from the Old Town, c. 1.5 km from the Warsaw Central and Warsaw Śródmieście railway stations. GUM is close to **Plac Bankowy** and **Metro Ratusz Arsenal** bus and tram stops and **Ratusz Arsenal metro station** – 200-350 m.
